## Ohio School Report Cards

Search for a school or district...

Medina County JVSD CTPD

CTPD at a glance

Exceeds state standards

77.8%

Met 7 out of 9 Federal Indicators

### CTPD Overview

Print

The Career Technical Planning District Report Cards include specific marks of performance, called measures, within broad categories called components. They receive ratings for up to six measures and four components.

[Click here](#) to go to the school's profile page.

By clicking this link you will leave the Ohio Department of Education's website, and the Department is not responsible for any external site's content.

#### Achievement

The Achievement component measures the skills and knowledge learned in student's career-technical programs using aligned technical assessments and academic achievement using each level of performance on Ohio's State Tests.

Exceeds state standards in technical and academic achievement

[View More Data](#)

#### Graduation Rate

The Graduation Rate component looks at the percent of students who are successfully finishing high school with a diploma in four or five years.

Significantly exceeds state standards in graduation rates

[View More Data](#)

#### Career & Post-Secondary Readiness

Whether training in a technical field or preparing for work or college, the Career and Post-Secondary Readiness component looks at how well-prepared Ohio's students are for all future opportunities.

Meets state standards in Career & Post-Secondary Readiness.

[View More Data](#)

#### Post-Program Outcomes

Post-Program Outcomes component looks at the proportion of students who are employed, in an apprenticeship, join the military, enter a service program, or are enrolled in postsecondary education or advanced training in the six months after leaving school. Industry credentials measure the proportion of students earning industry credentials before they leave high school or in the first six months after leaving school.

Exceeds state standards in Post-Program Outcomes
