# 36-HOUR VOLUNTEER FIREFIGHTER

The 36-Hour Volunteer Firefighter Course is an introductory, awareness-level course designed to introduce students to the basic elements of fireground safety and support operations, and to provide them with the knowledge, skills, and abilities to assist in firefighting support operations within their fire departments. As an awareness-level course, the Volunteer Firefighter Course is intended to serve as a foundation on which firefighters can begin building their training portfolio.
