

ADULT EDUCATION

ADVANCED EMERGENCY MEDICAL TECHNICIAN

Advanced Emergency Medical Technician (AEMT) is a mid-level provider of pre-hospital emergency medical services. This course builds on the essential skills obtained from the Emergency Medical Technician course and provides instruction in advanced medical procedures such as intravenous/intraosseous access, fluid administration, cardiac monitor interpretation, administration of medications, needle decompression, and orotracheal intubation of apneic/pulseless patients.

Program Details:

- Located at Medina County Career Center South Campus
- 290-Hour Program
 - 210 hours instructional
 - 80 hours clinical rotation
- Class meets Mondays & Wednesdays 6:00 PM – 10:00 PM, every other Saturday 8:00 AM – 4:00 PM

Course Includes:

- Advanced Interventions
- EMS operations
- Advanced Anatomy & Physiology
- Manual Defibrillation
- Medical & trauma emergencies
- Obstetrics & newborn care
- Pediatric emergencies
- Special population patient care

Job Outlook:

(SOC Code 29-2042) From the Bureau of Labor and Statistics, employment of emergency medical technicians (EMTs) and paramedics is expected to grow 6% from 2022 to 2032, faster than the average for all occupations. Emergencies, such as car crashes, natural disasters, and acts of violence will continue to create demand for EMTs and paramedics. The median annual wage in Ohio is \$45,760.

Certification Eligibility:

- Sit for the NREMT AEMT cognitive examination
- Apply for the ODPS AEMT certification
- Function as an AEMT within EMS agencies
