

ADULT EDUCATION

Not a CNA yet? This Fast-Track Certified Nurse Aide course can be taken before admission into our Licensed Practical Nursing (LPN) program. The accelerated course provides students with foundational knowledge and hands-on skills essential for success in nursing education and the growing healthcare field.

Certified nurse aides focus on patient direct care and comfort, including hygiene, nutrition, mobility, and physical support. CNAs often form meaningful bonds with patients and long-term care residents while maintaining a safe, clean, and supportive environment. Individuals pursuing this career should demonstrate compassion, patience, strong communication skills, physical stamina, attention to detail, and the ability to follow directions.

Job Outlook:

(SOC Code 31-1012) Employment of certified nursing aides (CNA) is projected to **grow 4% from 2023 to 2033**, about as fast as the average for all occupations. About 209,400 openings for nursing aides and orderlies are projected each year, on average, over the decade. Many of those openings are expected to result from the need to replace workers who move into other occupations or leave the workforce, particularly due to retirement and other factors. The median annual wage in Ohio is **\$38,130**.
