

ANIMAL MANAGEMENT & CARE

FIRST YEAR PROGRAM INFORMATION

Daily Professional Dress Policy:

Members of our Animal Management & Care Advisory Committee have recommended that uniforms be worn all day. This is done for the safety and protection of each student and is a requirement in the program. **Uniforms are part of the Animal Management & Care Program Fees. Students will be fitted for their uniform over the summer with CINTAS. Look for a mailing directly from CINTAS (440.238.5565).**

Shoes are to be purchased on your own and must be rubber-soled with a back. A leather-type work boot is also required for barn rotations. Absolutely no sandals, flip-flops, slippers, open-toed shoes, or Croc style shoes will be permitted.

Please join Mrs. Underwood's Animal Care Class of 2025 on [Remind](#) using class code [@h4dace](#) for class updates throughout the summer.

ANIMAL MANAGEMENT & CARE

SECOND YEAR PROGRAM INFORMATION

The Animal Management & Care uniform protocol for 2023-2024 requires first and second year students to wear their uniform throughout the entire school day. Uniforms are an important part of our program's identity. This reinforces who we are as a community and allows students to feel pride in their school. It also ensures students are not under any pressure because of the type of clothes they wear and all are treated equally. Uniforms prepare students for life after school where many will have to dress according to industry standards for work.

- Second year students are required to wear their uniforms from the previous year or purchase new solid blue scrubs (top and bottom) to meet the uniform requirements.
- Shoes are to be purchased on your own and must be rubber-soled with a back. A leather-type work boot is also required for the barn. Absolutely no sandals, flip-flops, slippers, Croc style, or open-toed shoes will be permitted.
