

# CAREER & COMMUNITY EXPERIENCE

The Career & Community Experience Job Training Coordination Program specializes in integrated employment preparation through community work experience. CCE provides real-world, hands-on training through community-based partnerships and work experiences for the purpose of facilitating a transition from school to competitive integrated employment. Skill development areas of focus include professionalism, workplace safety, self-advocacy, job etiquette, workplace social skills, problem solving, adaptation, computer literacy, and workplace stamina, as well as various employment competencies specific to community work experiences. Placement in this program is based on team decision.

## Skill Development:

- Ability to maintain focus
- Ability to maintain physical stamina and endurance
- Ability to reach acceptable solutions
- Acceptance of constructive criticism
