Dental Assistants Job Outlook According to the Bureau of Labor Statistics (CIP Code-51.0601) (SOC Code 31-9091) Employment of dental assistants is projected to grow 11% from 2020 to 2030, faster than the average for all occupations. Ongoing research linking oral health and general health will likely continue to increase the demand for preventative dental services. The median annual wage for dental assistants was \$40,390 in January 2022. In Ohio, jobs in the Dental Assisting field are expected to grow by 3% by the year 2028.
