3. Read the attached pages for Lifetouch's packages and procedures.

PICTURE DAY

September

4th

(Make up day- October 16th)

Wondering how to plan for a 'contactless' School Picture Day in the Fall?

Got you covered.

parentnôtify

Our free and easy parent reminder emails replace paper flyers to distribute. Reminders are emailed to your families multiple times leading up to your Fall Picture Day. When families order online, students do not need to bring anything with them on picture day. We encourage online ordering by offering TWO free gifts with online purchase: an 8x8 Shutterfly photobook AND \$30 to spend at Shutterfly.

***DID YOU KNOW?** More than 81% of families already purchase school pictures online.*

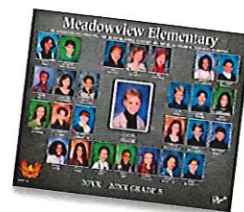

PICTURE DAY

Our new technology supports greater accuracy, efficiency, and supports social distancing on Picture Day. NO MORE paper slips or camera cards to distribute on Picture Day! On Picture Day, students are greeted by our staff and are simply 'checked-in' on tablets. Your students, faculty & staff are invited to be seated, smile, and head back to class!

'SOCIALLY DISTANT' PRODUCTS

As an alternative to traditional classroom group photos, check out our Classroom Composites! In next year's Classroom Composites, everyone looks their best.

Shutterfly/Lifetouch has developed policies, photographer training and procedures for the safety of our employees and our school community partners.

NEW! Every picture package we offer now includes at least two printed 5x7s, an 8x10, a class picture, as well as a high-resolution digital image for families to use however they like.
