### OUR MISSION

We are a learning community providing students with a competitive advantage through career technical education and academic excellence.

## Electrician Job Outlook According to the Bureau of Labor Statistics

(SOC Code 47-2111) Employment of electricians is projected to grow 11 percent from 2023 to 2033, about as fast as the average for all occupations. About 73,500 openings for electricians are projected each year, on average, over the decade. Many of those openings are expected to result from the need to replace workers who transfer to different occupations or exit the labor force, such as to retire. The median income for electricians in Ohio is \$61,590.
