

POWER EQUIPMENT TECHNOLOGY

FIRST YEAR PROGRAM INFORMATION

Daily Professional Dress Policy:

Members of our Advisory Committee have recommended that uniforms be worn while in lab. This is done for the safety and protection of each student and is a requirement in the Power Equipment Technology (PET) program.

Uniforms are part of the Power Equipment Technology Program Fees. CINTAS will fit students for their uniforms over the summer. Look for a mailing directly from CINTAS (440.238.5565).

Students are to purchase the following prior to the first day of school:

1. Black or blue jeans (example Dickies, Carhartt,).
2. Black belt (Uniform shirts must always be tucked in for safety).
3. Hard-soled, oil-resistant, work shoes or boots. (Steel toes recommended but not required). Cowboy boots with or without tread are not permitted.

Power Equipment & Technology program will supply the required hand tools for students as part of the program fees.
