## FIRST YEAR PROGRAM INFORMATION

Members of our Advisory Committee have recommended that uniforms be worn while in lab. This is done for the safety and protection of each student and is a requirement in Firefighter|EMT program.

- CINTAS will contact you directly for sizing of your uniform. Look for a mailing from them for a date and time for uniform fittings. Uniforms are part of the student fees.
- Student materials and any additional paperwork will be distributed at Student Orientation on Wednesday, August 13, 2025.
- Please remember to have your physician fill out the required [Fire Training Medical Exam Form](#) by the first day of class, **August 19, 2025**, so as to not hold up the ability to begin physical skills training.
- Because of the nature of some of the equipment used and departmental guidelines, facial hair, piercings and tattoos will be discussed with instructor and may prohibit participation in certain skills and positions.
