

In Partnership With

# SUMMER MANUFACTURING CAMP

## STUDENTS WILL EXPERIENCE:

### **ROBOTICS & AUTOMATION**

*Explore the technology driving modern manufacturing*

### **HANDS-ON MANUFACTURING ACTIVITIES**

*Design, build, and problem-solve like real engineers, “make-it, take-it” projects*

### **INDUSTRY FACILITY TOURS**

*Visit local manufacturing companies and see how products are made*

### **CAREER EXPLORATION**

*Meet industry professionals and MCCC Career Tech instructors to learn about high-demand careers*

### **Industry Partners:**

*SFS, Clampco, RICO, Root Candle, Welser Profile, 3D Metals, NorthLake Steel, Automation Tool & Die, TWB, Webb Stiles, Conbelt, Ravago*
