

## **Bright Eyedeas Clinic Optometrist Bios**

Dr. Sandra Travaglianti was born and raised in Broadview Heights, Ohio. She received her Bachelor's degree in biology from Ohio Northern University. She then graduated with a Doctor of Optometry degree from The Ohio State University in 2012. She has been taking care of Medina County patients at Northeast Ohio Eye Surgeons in Medina since 2016 and has a passion for comprehensive pediatric and adult vision exams, myopia control, dry eye disease and contact lenses. She is a member of the American Optometric Association and Ohio Optometric Association. She is presenter for Realeyes, a classroom education program created by the Ohio Optometric Association and a provider for InfantSee, a public health program that provides no-cost comprehensive eye and vision exams for infants within the first year of life. Dr. Travaglianti's non-professional passions include spending time with family, traveling, attending Broadway musicals and hiking and biking the Cuyahoga Valley. She currently resides in Seven Hills with her husband, three sons, and two dachshunds.

A Northeast Ohio native, Dr. Stefan is a returning MCCC graduate. He attended the University of Akron where he graduated with Honors and a degree in Biomedical Science before earning his Doctorate of Optometry from The Ohio State University, graduating with the distinction of Magna Cum Laude. He is currently in private practice at Dodd Vision where he provides comprehensive eye care with a focus on ocular diseases, myopia management and specialty contact lenses.

Outside of the office, Dr. Stefan is a proud member of the American Optometric Association and Ohio Optometric Association and enjoys volunteer work, having performed eye exams for underprivileged populations across Ohio, the Midwest and even overseas! Aside from eye care, Dr. Stefan enjoys spending time with family and friends, is an enthusiastic sportsman and hiker, and loves to travel whenever he gets the chance.

Dr. Nathan Stefan is a 2025 graduate of The Ohio State University College of Optometry where he graduated with high honors. He continues to remain active in the Ohio Optometric Association. His interests are primary care, specialty contact lenses, and ocular disease.

Dr. Stefan completed rotations at MetroHealth Medical Center in Cleveland, where he trained on managing ocular trauma, acute and chronic disease, pre/post operative exams, and primary care, as well as the Louis Stokes Cleveland VA Medical Center, where he focused on management of glaucoma, macular degeneration, diabetes, chronic dry eye, and emergency cases. His in-house rotations focused on pediatrics, specialty contact lenses, and binocular vision,

While at Ohio State, Dr. Stefan volunteered with SVOSH, a local outreach chapter that specializes in providing free eye exams to underprivileged areas, making several service trips to rural Tennessee and Lima, Peru. He is continuing outreach locally by providing free exams through the Bright Eyedeas Vision Clinic, with hopes of future overseas service trips.

In his spare time, Dr. Stefan enjoys exploring his native northeast Ohio by golfing, playing basketball, hiking the Metroparks, and making memories with his extensive family based in Ohio and Canada.
