

# CAREER & COMMUNITY EXPERIENCE PROGRAM

Medina County Career Center's Career and Community Experience Job Training Coordination Program specializes in integrated employment preparation through community work experience. CCE provides real-world, hands-on training through community-based partnerships and work experiences for the purpose of facilitating a transition from school to competitive integrated employment. Skill development areas of focus include professionalism, workplace safety, self-advocacy, job etiquette, workplace social skills, problem solving, adaptation, computer literacy and workplace stamina as well as various employment competencies specific to community work experiences. Placement in this program is based on team decision.
