

# CRIMINAL JUSTICE

The Medina County Career Center's Criminal Justice program provides students with education and training in law enforcement, corrections, security and dispatching. Students gain communication, human relations, reporting, self defense and patrol skills. They practice multiple skills and gain knowledge on numerous topics pertaining to the criminal justice and security fields. The cadets are also taught positive character traits through the Criminal Justice program's Core Values: Professionalism, Integrity, Honesty and Loyalty.

## Certification\*

- Ohio Department of Rehabilitation and Correction Academy
- APCO Telecommunicator 1 (911 Dispatcher)
- ASP Baton
- ASP Restraints (Handcuffs)
- FEMA - Incident Command System
- FEMA - National Incident Management System
- Heartsaver CPR, AED and First Aid
- Individual Chemical Repellent Spray
- OSHA 10-Hour

## Opportunities

- Corrections Officer
- Police Dispatcher
- Private Security Officer
- Military Service

*Please note, most police departments in Ohio, including federal law enforcement agencies, require law enforcement officers to be 21 years old. A department that is not civil service may hire someone who is 18 years old.*

## Equipment

Students will learn in a newly renovated classroom and have access to various education tools throughout our campus and Medina County. Some equipment includes:

- ASP baton, handcuffs and flashlights
- Patrol/Duty gear
- Fingerprinting tools
- OC Spray (pepper spray)
- Police cruiser
- Police radio
- Radar and LIDAR
- Redman self-defense suit

*\*Students who meet certification criteria will have the opportunity to test in their CT program.*
